## NOTICE OF CHILD FIND 2013-2014

It is the responsibility of the FOXBOROUGH PUBLIC SCHOOLS to identify any child who is a resident of Foxborough, who may have a disability, regardless of the severity of the disability. It is also the responsibility of FOXBOROUGH PUBLIC SCHOOLS to evaluate those students to determine if they are eligible for special education or related services under IDEA (Individuals with Disabilities Education Act) or 603 CMR 28 (Massachusetts Special Education Regulations).

The FOXBOROUGH PUBLIC SCHOOL DISTRICT is committed to locating children before their third birthday in order to provide early intervention services for three and four year-olds. If you have questions or concerns regarding your child's development and would like to have him/her screened, please call Dianna Parr at PROJECT EARLY for an appointment at (508)543-1605 or Arlene Grubert, Director of Special Education at (508)543-1645.

If you believe that your child at any age needs an evaluation to determine eligibility for special education services, please contact your neighborhood school by phone or letter. Include your child's name, address, date of birth and telephone number, and a brief description of your concerns and suspected area of known disability to the Principal of your local school.
