Tel. (508) 543-1228 / Fax. (508) 543-1227

NOTICE
COMPOST AVAILABLE @ COMPOST SITE
SEPTEMBER 28, 2009

The grass and leaves has formed into great compost. The compost makes for great planting material with your fall plantings. The compost can be rototilled into your garden. The compost can be used as a free substitute for peat moss.

This recycled material is available to all residents and landscapers.

The material should be available through November.

Please take all you need; the more the better; as it reduces the cost of final disposal.

The Compost Site is located at 70 Elm Street. Hours of operation are Monday through Saturday 7:30 AM to 3:45 PM. The Compost Site must be vacated by 4:00 PM to minimize overtime payment to our employees.

Thank you for your adherence to this rule.

Should you have any questions please call the Highway Department at 508-543-1228.
