

MERCURY COLLECTION CENTER

Items containing mercury can be brought to the Highway Dept. on Monday (Holidays excluded) from 7:30 am to 3:45 pm.

Items must be checked in by Highway Personnel (go to office).

Examples of mercury bearing items include:

- fluorescent light bulbs
- switches
- thermometers
- manometers
- gauges
- thermostats

Large quantities of mercury are subject to inspection before they can be considered for disposal, at the discretion of a Highway Dept. Supervisor or the Superintendent.
