

**Minutes
Of
The Foxboro Water and Sewer Commissioners
December 2, 2013**

Members in Attendance: Chairman M. Stanton, Clerk B. Garber, Town Engineer B. Swanson, Board of Selectmen G. Coppola

The meeting was called to order at 7:00 p.m. by Chairman Stanton.

Information has been received from Mansfield that will be sent to Ryan Allgrove to be included in the model he is working on for the buy in costs.

Mr. Swanson has also been working on the buy in costs for those wanting sewer capacity. He suggests \$43.21 per gallon which would cover the expenses and 20% of the Phase II improvements. The Board can set the price as whatever is deemed appropriate. The Board discussed whether a 25% contingency should be built into the price for the construction of the plant.

Representatives Barrows and Timilty have sent letters in support of the billboard petition to the Office of Outdoor Advertising. A representative from that office will be conducting a site walk there this week.

The budget meeting will take place Saturday morning.

Ms. Coppola informed the Board that thirty-four applications have been received for the Town Manager position.

The minutes of November 12th, November 18th and November 25th were reviewed.

The meeting was adjourned at 7:15 p.m.

Respectfully Submitted,

Diana Gray
